Here's the Williams case with the quote, if I get one from CTDEEP I will forward it directly to Alice tomorrow since you won't be here

Hi Eva,

Please see Dave's email below. Do you have a quote that can be used? He attached Scott's one pager with quote. Thank you!

Mary,

I have put Eva's case studies in the "Science in Action" template.

One thing Alice is wanting to include on the one-pagers is a quote from the state or the Region.

I have attached Scott's as an example.

Could you see if Eva has something we could use for the SRSNE example and the Williams AFB example?

Thanks.

Dave
